Dear East Hollywood BID:

We need your help! The City has scheduled a community meeting **in our very own East Hollywood BID** to discuss the legalization of street vending in Los Angeles. As you know, without a carve-out for Business Improvement Districts, this motion would be contrary to all the work the BID has done to curb sidewalk vending on Vermont Ave. and throughout the BID. ***Given the importance of this issue to the East Hollywood Business Community, we ask that you will join us at LA City College for a special community meeting with the City Staff. It is important that the City Council hears from business owners directly, how legalizing street vending in East Hollywood will adversely affect your business and the overall public safety of the East Hollywood community.***

The community meeting will take place at LACC on Thursday, August 13th, at 6pm. (Flyer attached with further details).

We are asking that anyone who is available to come down and help us represent the voice of the business community on this important issue. Let's show the City that the BID means Business! ☺

Please let me know if you will be able to attend! I have attached the EHBID's letter to City Council on the

Thank you so much and I look forward to seeing you all on Thursday evening!

-Nicole
